SPACE PHOTOS

DESCRIPTION

This sleek and inviting space offers a 360-degree panoramic view of the city, providing an inspiring environment for your team.

The office features contemporary design with ample natural light. The space includes fully-equipped meeting rooms, open workstations, and private offices, ensuring flexibility for your business needs. Additional amenities include high-speed internet, a Zen room, a mothers room, a kitchen, and comfortable lounge areas for informal meetings and relaxation.

Whether you are a small team or a growing company, this office space is designed to foster productivity and collaboration. Join a vibrant community in one of San Francisco's most prestigious locations and elevate your business to new heights.

PRICING

Desks start at \$750 / desk per month, with a minimum of 5 desks (\$3,750). Private Offices start at \$1,500. Dedicated Meeting Rooms start at \$1,000. Dedicated Conference Rooms start at \$2,000. Each wing section can be dedicated for \$15,000+.
